

Bright Referral Logo Usage Consent Agreement

By creating an account with Bright Referral, the account holder ("Client") grants Bright Referral, Inc. ("Bright Referral") a non-exclusive, worldwide, royalty-free license to use Client's name, logo, and other brand identifiers ("Marks") solely for the purpose of identifying Client as a user of Bright Referral's services in Bright Referral's marketing and promotional materials, including but not limited to websites, presentations, social media, and print collateral.

This license is granted solely for the purpose of showcasing the breadth of users served by Bright Referral and does not imply any further endorsement or partnership beyond the Client's use of Bright Referral's services.

Bright Referral agrees to use the Marks in accordance with any reasonable brand guidelines provided by the Client. The Client may revoke this consent at any time upon written notice, after which Bright Referral will make reasonable efforts to remove the Client's Marks from any new marketing materials.
