bright REFERRAL

When you refer with paper referral pads,
40% of your patients miss out on the care they need.
We can do better.

1

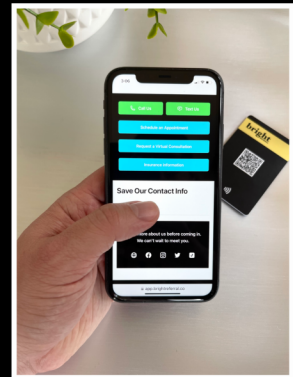

Use Bright Cards instead of paper referrals pads.

2

Tap the card to the patient's phone to refer.

3

Patient gets the referral info.
You get the record.
The specialist gets the patient details.

Tap a Bright Card to your phone
(or use the QR code)
to see how fast and easy it is.
