By using the Company's products or services, all customers ("you," "your," or "User") agree to the terms outlined in this Policy.

1. Scope of Policy

This Policy governs the application of discounts, coupons, promotional codes, and other similar offers (collectively referred to as "Promotions") to purchases made by Users on the Company's platform.

2. General Terms of Promotion Eligibility

2.1. Promotions offered by the Company are subject to specific terms and conditions that may vary for each offer, including eligibility requirements, expiration dates, and any other applicable restrictions.

2.2. Promotions cannot be combined with other discounts, offers, or promotions unless explicitly stated in the terms of the promotion.

3. Application of Promotions to Future Purchases

3.1. Any relevant and applicable Promotions for which a User is eligible will only be applied to purchases made on or after the date on which the eligibility for the Promotion is determined.

3.2. Promotions cannot be retroactively applied to purchases made prior to the determination of eligibility or prior to the Promotion's issuance or activation date.

3.3. It is the User's responsibility to ensure that any applicable Promotion codes are entered correctly at the time of purchase. Failure to do so may result in the Promotion not being applied, and the Company is not obligated to adjust prior purchases to include the Promotion.

4. No Retroactive Adjustments

4.1. Under no circumstances will the Company provide refunds, credits, or any other form of compensation for missed or unused Promotions on past purchases.
